

CALLING ALLIED HEALTH PROFESSIONALS!

If you are a clinician with experience in cardiac and respiratory rehab, exercise physiology, obesity, diabetes and chronic disease management we have an exciting opportunity for you!

Are you passionate about making a difference in rural communities? Do you thrive in dynamic environments where innovation meets compassion? If so, we invite you to join us in revolutionising healthcare delivery in our region.

We are excited to be establishing a groundbreaking new model of care, focused on delivering primary healthcare to our communities. As we embark on this journey, we are seeking dedicated and skilled allied health clinicians to be integral members of our team.

We currently have the following opportunities to join the East Wimmera Health Service Team:

- Exercise Physiologists
- Dietitians
- Podiatrists
- Psychologists
- Counsellors
- Speech Pathologists
- Physiotherapists
- Occupational Therapists
- Social Workers

By joining us, you will have the opportunity to:

- Be at the forefront of a transformative approach to rural healthcare.
- Work collaboratively with multidisciplinary teams to provide comprehensive care to diverse patient populations.
- Make a meaningful impact on the health and well-being of individuals and families in our communities.
- Access professional development opportunities and support to further enhance your skills and expertise.
- Enjoy a supportive and inclusive work environment that values your contributions and encourages growth, with flexibility of hours and access to generous salary packaging and remote area benefits.

Whether you're a seasoned practitioner or a recent graduate eager to embark on your career, we welcome individuals who share our commitment to excellence, sustainability and community-focused healthcare.

If you're ready to be part of something truly special and shape the future of rural healthcare, we want to hear from you.
