

# CALLING NURSING PROFESSIONALS!

## EXPRESSION OF INTEREST: JOIN OUR MULTIDISCIPLINARY PRIMARY CARE TEAM IN RURAL VICTORIA

**Are you a dedicated and compassionate district nurse seeking an opportunity to make a meaningful impact on rural healthcare?** Look no further! We are thrilled to invite passionate **district nurses** to join our dynamic multidisciplinary model of primary care with East Wimmera Health Service.

**About Us:** Our primary care team is revolutionising healthcare delivery in rural Victoria. Comprised of general practitioners, nurses, allied health professionals, and community workers, we are committed to providing comprehensive and holistic care to our diverse patient population. By blending traditional healthcare practices with innovative approaches, we aim to address the unique healthcare needs of our rural communities.

**The Opportunity:** As a district nurse within our team, you will play a pivotal role in delivering high-quality, patient-centred care to individuals within their homes and communities. You will have the opportunity to collaborate closely with physicians, allied health professionals, and community organisations to develop personalised care plans that empower patients to achieve their health goals.

### What We Offer:

1. Collaborative Environment: Join a supportive team of healthcare professionals who are passionate about improving rural healthcare delivery.
2. Professional Development: Access ongoing training and development opportunities to enhance your skills and expertise in primary care and community nursing.
3. Work-Life Balance: Enjoy a flexible work schedule that allows you to balance your professional and personal commitments.
4. Competitive Compensation: Receive competitive remuneration and benefits package commensurate with your skills and experience, and access to generous salary packaging and remote area benefits.

### Who we're looking for:

We are seeking dedicated district nurses who are:

- Compassionate and empathetic individuals with a genuine commitment to patient care.
- Experienced in providing community-based nursing care, with a focus on holistic assessment and care planning.
- Collaborative team players who thrive in a multidisciplinary healthcare environment.
- Enthusiastic about embracing innovation and contributing to the continuous improvement of healthcare services.
