East Wimmera Health Service (EWHS) is a fully accredited small rural health service across five campuses encompassing the five communities of Birchip, Charlton, Donald, St Arnaud and Wycheproof, in North Western Victoria.

Applications are invited for this vacancy that involves a rotating roster across 7 days and covers all shifts: day, evening and night rotating across acute and residential care services in our modern facilities at our Donald Campus.

To apply you must be committed to providing evidenced based practice and demonstrate an understanding and commitment to residential aged and acute care quality improvement.

Medication endorsement is preferred.

The Donald campus consists of 10 acute beds, 12 residential aged care beds, urgent care and dialysis services, enabling you the diversity of working across a mixed ward of acute and aged care.
